We Rent Billboards

Maximize your Marketing Value!

Why should your business consider renting a billboard? Billboard rental rates are vastly lower in cost per 1,000 views when compared to other advertising mediums. Billboards also allow local advertisers to reach a much larger audience than print or radio advertising.

Expand your brand awareness and reach more customers! Our billboards receive between almost 500,000 views per month up to over 3 million potential views per month!!

How large is your advertising reach?

Why rent with us? We are a local small family business that has been renting billboards for in the area for decades. South Atlanta is our home.

Locations in the Metro Atlanta Area: I-20 at 6 Flags, I-285 at Washington Rd, Hwy 138 in Union City near I-85, Hwy 74 at I-85, and multiple signs on I-85 between Fairburn and Sharpsburg with both North and South bound reads available.
